Ancient Civilisations Day proved to be a fun and exciting day for the whole school. The Senior School students did a fantastic job of presenting their projects as Ancient characters. There were many famous names in the room including Poseidon, Julius Caesar, King Tut, Alexander the Great, Cleopatra, St. Helena and Hatshepsut.
It was the lunch put on by the CHATs group and our wonderful parents that made the day really special. There were many delicious foods from around the world and everyone went home with full bellies. The Staff at Southern Cross would like to thank all of the amazing parents who donated items and helped out on Ancient Civilisations Day. Mrs Singh and Miss Rutgers also made a great effort in helping to make the day a great success. Without these people the day would not have been able to happen.
