On Thursday December 12th we ran a whole school tribes activity morning. This was organised as a fun conclusion to our tribes program for the year. The Student Leaders discussed which activities they wanted to run and compiled lists of equipment needed. The Leaders came to school early on Thursday morning and set up everything ready for the day. The activities that were chosen were:

- Face biscuits with lolly decorations.
- Drama
- Dance
- Banana and Strawberry smoothies
- Sock wars
- Chocolate truffles
- Newspaper dress ups
- Santa hats made from biscuits, marshmallows and sprinkles

All students had a great time and the Leadership group did an awesome job of running the activities. This was a very successful end to our Tribes year.
