Football and Grade 3/4’s

The City of Casey and Melbourne Football club have been collaborating to promote Australian Rules Football and inverting different cultures in experiencing what the game is all about and what it can offer. Southern Cross Primary has been one school fortunate enough to be able to participate in this great program. The program is designed to educate students in team work, basic football skills e.g. handballing, kicking and rules and regulations of the game. The grade 3/4’s participate in 6 one hour sessions where Melbourne football club players come into the school and run fun activities and drills.
