Multicultural Celebrations

On Thursday November 4th, Southern Cross Primary School is going to celebrate Multicultural Day in a colourful and fun way.

The theme of the day is appreciating and valuing the diverse cultures that exist in our school community. We will be exploring further and celebrating the different unique cultures that make Southern Cross Primary School a very Multi-Cultural and Multi-Ethnic place to learn.

Students and parents are encouraged to come dressed in their cultural clothes or in colours that represent their country of origin. There will be performances and fashion parades on the day by students. This will take place from 11.30am to 1.30pm.

Also, there will be yummy food from different cultures on sale on the day. The cost of a plate of food and a drink is $2.00 and students and parents are highly encouraged to participate in the feast and try those scrumptious, mouth-watering dishes.

Foods on the menu so far are: Pilau (rice and meat dish), noodle, chicken and vegetable dish, Lebanese salad (tabouli) and dip (hommus), Afghanistan dessert, jalebi. There may be few other delicious additions to the menu. Meat used is halal chicken and lamb. Food preparations are done mostly at school by mums and strictly follow health and hygiene regulations (no nut products).

We look forward to your continuous support and co-operation on this sensational event and hope you are able to join us on this day.
