Southern Cross Primary School is a very multicultural school. Hence we endeavour to cater for all cultures and customs. At Southern Cross we treat all students as equals regardless of race, religion or colour. We celebrate our diverse nationalities and cultures by having a multicultural day whereby all students are encouraged to come in their national dress or countries colours. We also have a canteen that serves all the regular types of foods that you would expect to find in a school canteen. Geoff our canteen manager takes great pride and care to prepare Halal food for all those students who require it. We also provide Muslim students with the facilities required to pray during Ramadan. In 2011 Southern Cross will be adding a Hijab to our uniform. This will look great on those who wear them and help everyone to feel as though they are part of our wonderful school community.
