In this tribes activity we had to hit the tennis ball into the goals. The sticks are made out of rolled up newspaper so nobody can get hurt. Our teams are mixed with Preps to year 6 students. Our new hall is such a great place to hold our tribes activities in.
In our Tribes groups each fortnight we have a lot of fun participating in many different activities. This week we had to pick a theme and try to make a costume out of newspaper and sticky tape. We had 30 minutes to complete it. A lot of fun was had by everyone who joined in. Tribes is a lot of fun.
