On Friday the 20\textsuperscript{th} of July, Grades 3-6 took part in a 45 minute Zumba session. An external Zumba instructor Cathy, who has been teaching Zumba for a number of years, ran this. Zumba is a type of dancing that incorporates many genres of dance and movement with a high physical exertion. Students took part in a wide range of new dancing techniques and it was a great opportunity for all of our students to come out of their shell with some awesome dance moves. All of the feedback from the students has been really positive and the smiles on everyone’s faces were great to see.
