The school community of Southern Cross Primary believes in providing a quality learning environment that encourages children to be curious, inspired and successful in their learning. We strive to achieve an educationally safe and caring environment through our daily implementation of behaviours, programs and modelling that values, understands and respects individual abilities and cultural diversity.
Dear Parents and Friends,

Welcome to the news this week.

**Mother’s Day**

It is a very exciting day today for our children who are attending the Mother’s Day Stall. It is always so beautiful to see the look of love on their faces as they carefully choose something for special for their mum. If you celebrate Mother’s Day I would like to wish all of the mothers in our community a beautiful day with your family on Sunday.

**Breakfast Club**

Breakfast Club is now operating on a Wednesday morning from 8.00 a.m. – 8.30 a.m. It is wonderful to see that Breakfast Club is going so well again this year. The dedication of the staff who take on the role of organising and running this morning is greatly appreciated by all. Thank you to our parents who support our continuation of a broader menu through your kind donations. It is such a lovely opportunity for our students and teachers to have this special time to socialise and share a meal with each other.

**Year 5 and 6 Excursion to the City**

On Friday of next week the Grade 5/6 students will be attending their city excursion. They will visit the Shrine of Remembrance and the Immigration Museum where they will learn a great deal of knowledge about the history of Australia and the wonderful people who have come here to make it their home. They will learn about the backgrounds of people, the hard work and sacrifices people have made to make this country such a wonderful place to call home. I hope that you all enjoy this very interesting day.

**Student Absences/Student Lateness**

“It is not ok to be away” I am sure all of you have heard this slogan before. Students from all year levels are having too many days absence from school, for reasons that could be avoided.

We ask parents to ensure that they monitor their child’s attendance so that it does not impact on their learning. There are minimum attendance requirements needed for students to satisfy assessment tasks for every year level.

If possible please do not book holidays during term, but use the holiday breaks. However, there will always be exceptions, due to unforeseen circumstances.

Lateness to school is another concern. When a student comes late to school, they not only disrupt their own learning but they also disrupt the learning of the whole class. Please ensure your child is at school by 8.50 a.m. ready to start the day on time.
