02/02/18

An inspiring community where the students shine!

School Books/Fees

School books and fees are now due and payable.

Student Banking

Student banking is each **Tuesday**. Many of our students use this banking opportunity and they enjoy learning about the importance of being wise with money, as well as how to build the ability to be self - sufficient. If you can encourage your children to be part of this no matter how small, I am sure you will be grateful in the future and they will reap the rewards.

Tuesday 13th February – Assembly 9.15am

What's happening in Our

Dear Parents and Friends,

Happy chatter and smiling faces, calls of 'hello' and 'welcome back' are happening all over our school. What a delightful start to the new school year it has been. Welcome to all of our families and in particular to all of the new families that have joined our school community. I look forward to getting to know you all throughout the year.

Our first assembly will be held on Tuesday February 13th at 9.15 am. We are planning to present the student leadership badges on that day as long as all of the badges have arrived. Parents of the students who have leadership roles will be receiving further notice of this event.

Averil Nunn

Principal

Welcome back to another busy year. We have so much going on around the school and its only day 3!! Just a reminder to let you know that part of my role as Assistant Principal is Student Welfare. If you have any concerns about your child's physical/social development or academic learning please let me know and we can investigate further. I am able to organise Speech assessments and we can access Psychology support but at present this is on a needs basis due to a shortage of school Psychologists. We have a school nurse who comes each year to check out the new Prep students but she also asks if we have any other concerns with students across the school. This is a free service and strictly confidential. She has contacts with many medical services and can be a great help if you have concerns. Please contact me if you have concerns in this area.

Looking forward to working with you all,

Anne Robinson

Assistant Principal.

Welcome back for 2018 to all the beautiful families of SCPS!

I hope that everyone enjoyed a relaxing time over the holidays as much as I did. I am very much looking forward to spending my time in the classrooms across the school this year and cannot wait to get to know the new students and their families within our community!

This year, our teachers will be continuing their learning about the Growth Mindset approach to ensure each child receives instruction at their own individual academic, social and emotional level. We will continue to strive for the exceptional results we have achieved in the past and promote the development of healthy, happy and resilient young members of our community.

Looking forward to working with you all in 2018!

Leonie Laphorne

Learning Specialist
