An inspiring community where the students shine!

Mission Statement

The school community of Southern Cross Primary believes in providing a quality learning environment that encourages children to be curious, inspired and successful in their learning. We strive to achieve an educationally safe and caring environment through our daily implementation of behaviours, programs and modelling that values, understands and respects individual abilities and cultural diversity.

What's happening in Our

Dear Parents and Friends,

Welcome back to all teachers, students, parents and a very warm welcome to all new students and families who have joined us for the start of another wonderful year of learning and achievement. I look forward to getting to know our new students and parents as we progress through another happy and successful year here at Southern Cross.

Foundation Classes for 2017

It has been a delight to see our 2017 Foundation students attending for the first time on Wednesday morning. All children look very smart in their new uniforms and they all seem very keen to be at school and make a start to the exciting learning journey that lies ahead of them.

Classes for 2017

All teachers and students have settled well into their new classes and the school environment once again. It has been a delight to visit all classrooms and speak with the students about our goals for this year and to see the enthusiasm they have for getting into their work.

Before & After School Care

This program has now commenced in the big hall at the front of our school, 7.00 – 9.00 a.m. in the morning and from 3.30 – 6.30 p.m. in the afternoon. If you would like to enrol your child, please see the school office or visit Anita in the hall during the above hours.

Student Banking

Student banking is each **Tuesday**. Application forms will be sent to every student with this newsletter, if they would like to open an account and start saving. Many of our students use this banking opportunity and they enjoy learning about the importance of being wise with money, as well as how to build the ability to be self - sufficient. If you can encourage your children to be part of this no matter how small, I am sure you will be grateful in the future and they will reap the rewards.

2017 Payment and Purchase of School Books

If you have not paid your 2017 school fees, please call into the office as soon as possible, so that your child/ren can receive their requisites.

Have a good week.
Averil Nunn
Principal
