Students at our school are given the opportunity to take on leadership roles across all year levels starting from Prep. The beginning of each term Class captains are chosen by their peers. The students have to go through a process before being nominated. Each student is required to write a speech stating why they should be voted and what qualities they have to offer as the leading representative/s of that class. The students present their speeches to their peers, teachers and the voting process takes place. During whole school Assembly students receive their badges. The following four students were voted for Class Captaincy and Vice Captaincy for both Prep grades. We know they will take their roles seriously and make us proud!! Congratulations!!!

Class/Vice Captains **term 3**

Foundation A

Addison

Class Captain

Foundation B

Hadi

Class Captain

Vice Captain

Benjamin

Vice Captain
