The school community of Southern Cross Primary believes in providing a quality learning environment that encourages children to be curious, inspired and successful in their learning. We strive to achieve an educationally safe and caring environment through our daily implementation of behaviours, programs and modelling that values, understands and respects individual abilities and cultural diversity.

Please read this newsletter, as it is an important communication between school and home.
Dear Parents and Friends,
Welcome to the news this week.

School Camp
How exciting it is that school camp is now just next week. We have many students and teachers who cannot wait to enjoy the delights of this Swan Hill camp. It is such a wonderful place to visit and I know that everyone will enjoy it so much. I am sure that there will be many amazing stories from the teachers and the children when they return. I wish everyone who is attending a happy and enjoyable few days.

Enrolments
Thank you to all of the parents who have enrolled their children for next year and for informing friends to also do so. We have many students enrolled for next year and we are continually taking tours. We are currently organising our staffing for 2017 so if you know anyone who has not yet enrolled please tell them to do so now as we are aiming to finalise arrangements by the end of this term. Thank you for your support.

Uniform
We are continuing to see lots of lost pieces of childrens’ uniform. Please can you make sure that you name your childs’ pieces clearly so that they can be read. It is always wise to write your childs’ name in 2 or 3 places on the item and not just on the tag which unfortunately does get cut off. If your child has lost items please check our lost property in the sick bay.

Road Safety
Just a reminder to obey road rules and parking regulations when you are around the school. The police will be carrying out surprise visits and fining anyone breaking the law. We know there are a few parents who continue to put their children at risk by parking illegally or not using the crossings. These are the people that the police will be targeting. Remember to role model the correct behaviour for your children and that the same rules apply to all and there are not some privileged people who can do as they please. I do hope everyone abides by these laws and that none of our parents are fined for inappropriate behaviour.

Unwell Students
If your child is absent from school can you either call in the morning to let us know or fill in the absence form and return it to school with your child. The department requires parental notification of student absences.

A&A Wildlife Incursion for Years 3 & 4

A&A Wildlife Incursion

Last semester in 3/4, students participated in an incursion as part of the integrated topic: Animals. Students had the opportunity to get up close and personal with a range of native Australian animals including lizards, pythons, geckos, birds, insects, sugar gliders and even a freshwater crocodile! During this incursion student’s learnt about the diet and habitats of these native animals as well as their lifecycles.
