For Your Information

Items sent home will generally be colour coded.

Breakfast Club
Dear Parents and Friends,

Welcome to Term 4!

We have had a lovely smooth start to the term and the children are all keen and eager to delve into the learning tasks that will complete this year. I am so proud to say that our school again achieved a very high standard of results in the Naplan scores which were substantially above the state mean. Results across the board for academic achievement, social and emotional areas are all maintaining excellent scores. We have a caring and respectful school environment, where all children are happy and secure setting the foundation for productive and inspiring learning and enjoyable teaching.

Our School Concert

Preparation and practice in taking place for this years’ concert which is coming up in the weeks ahead. Parents will be receiving notices from classes with further information. There will also be information in the newsletter, so please look out for it. We will be holding an evening session and a matinee session to allow us to accommodate people in the hall. We will be requesting that parents who have children under school age sit them on their laps, as tickets for seats will be for adults only. If you would like further information please contact the office.

Averil Nunn
Principal
Dear Parent/Carer

We know that students achieve their best at school in safe and supportive environments, where they are free from bullying and disruptive behaviour.

At our school we put a big emphasis on making sure we provide a great environment for our students – one that promotes tolerance and is inclusive, harmonious and free from bullying.

Bullying is a serious issue for all of us. We know that it can happen anywhere, anytime, and can have devastating consequences. We also know that with the rise of social media, cyberbullying is an increasingly important issue. Where bullying was once confined to the playground, it can now occur online at any time of the day or night.

The best way to tackle bullying and cyberbullying is for schools, students and parents to work together.

Our school is supporting the Bully Stoppers campaign – which has just launched a new series of tools and resources to help parents and students deal with cyberbullying.

These resources, part of Bully Stoppers: Speak Up Against Cyberbullying campaign, are available on the Bully Stoppers website, at [www.education.vic.gov.au/bullystoppers](http://www.education.vic.gov.au/bullystoppers)

I encourage you to learn more by visiting the website and sharing the commitment to stop bullying and cyberbullying in our school and local community.

Yours sincerely,

Averil Nunn
Principal
