Dear Parents and Friends,

Welcome to the news this week.

**Briars Camp**

The students in years 3-6 who went on camp this week have all enjoyed their time immensely. I have been keeping in touch and I have heard very positive reports across the 3 days. There have been many outdoor activities that have been greeted with enthusiasm along with the duties of being a helpful and productive team member at camp. They will be very tired however I am sure that you will hear many stories when they return home. Congratulations to all students on this achievement and a huge thank you to all staff who give of their personal time to provide this opportunity for the children. We are currently in the process of sorting through camp photos. There will be some more pictures in next week’s Newsletter.

**Concert**

I hope you are all looking forward to the concert next week. The children have been practicing their performance items and are looking forward to seeing the smiling faces of their families as they proudly present for you. If you need tickets please contact the office.

I wish you a happy and healthy week ahead,

Averil Nunn - Principal

**Bicycle Thefts**

In the Casey Police Service Area, bicycle theft has increased 130% this financial year. Half were from residential locations. The bikes were stolen from the front of the house and were not locked up at the time.

Police Advice:
- Secure your bike with a lock
- Do not leave bikes in the front yard - Move to a secure location out of sight (garage, shed)
- Engrave the underside of the bike frame with the letter V followed by the owner’s/parent’s drivers licence number to assist police in returning located bicycles
