Mission Statement
The school community of Southern Cross Primary believes in providing a quality learning environment that encourages children to be curious, inspired and successful in their learning. We strive to achieve an educationally safe and caring environment through our daily implementation of behaviours, programs and modelling that values, understands and respects individual abilities and cultural diversity.

Southern Cross Primary School
Mission Statement

24/03/2016

An inspiring community where the students shine!
Principal's Page

Dear Parents and Friends,

Welcome to the final newsletter for Term 1 2016.

Safety around the School

A reminder to all parents and carers who bring children to school or pick them up after school to be aware of your safety responsibilities. It is law that everyone must drive safely around a school and this includes safe parking. There are many people who are parking illegally and also not taking care when moving back into traffic or making U-turns. Several parents have reported to me that there have been occasions when people have just missed being hit by cars. If you have to park a small distance from the school to ensure the safety of the children that is what needs to happen. You cannot park in the Staff Car Park, on the corners or across driveways and no double parking please. The school crossings are there to be used by everyone. They are not just for children who are not accompanied by an adult. As is the expectation at all schools all parents MUST use the crossings with their children. If you do not follow these laws you will be fined. The Police and the By-Laws officers will be visiting the school to catch parents who do not comply with these laws, so please be warned and take extra care at all times. I never want to deal with a tragedy related to any of the families who attend this school so please let’s all be courteous, patient and caring to all of the members of our community.

Security Over The Holiday Break

It is important to keep our school safe and free from vandalism over the holidays. If you see any people on our school roof, intruders or vandals at our school please contact the police on 000 or the Department of Education and Training Security Service on 9589 6266.

I would like to thank all of our community members for your support and assistance throughout Term 1. I wish you a restful time over the next 2 weeks and I hope you find some time to soak up and enjoy some happy family life. I look forward to seeing you again when we commence Term 2.

Averil Nunn
Principal

Reminder: Monday 11th April 9.00 a.m. School resumes

I wish you all a happy and healthy week ahead.
