This Term we have learnt all about how to improve our reading through CAFÉ and Daily 5. In Daily 5 we participate in a variety of activities to improve our reading such as, listening to reading, word work, work on writing, read to self and read to someone. In CAFÉ we learn strategies to decode and understand words in our books. We have already learnt how to ‘Check for Understanding’ and ‘Stretch the sounds out’!

We ask Grade ½’s, how does CAFÉ and Daily 5 help your reading?
