Scope

This policy applies to:

Definitions

A **mobile phone** is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.

Policy

Southern Cross Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Southern Cross Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored in the school office, during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile devices owned by students at Southern Cross Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Southern Cross Primary School does not have accident insurance for accidental property damage or theft. Students and their

parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Department's Personal Goods policy.

Where students bring a mobile phone to school, Southern Cross Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Southern Cross Primary School students are required to store their phones in the school administration office
