Policy

1. School profile

Southern Cross Primary School is situated in the South Eastern Suburb of Endeavour Hills, 30 kms from Melbourne. Demographic change has seen our enrolments maintained at an average of approximately 220 students in 2019. Our school has a full time staff of 20.6 staff: 1.0 Principal Class, 16.6 Teachers, and 3 Education Support Staff.

We have a diverse community catering for approximately 42 nationalities. Amongst our several community assistance and interest programs, is our growing Community Harmony and Team Spirit Group (CHaTS Group). This group, made up of parents and lead by 3 members of staff, meets monthly and assists the school in a variety of ways including working with school staff to welcome and integrate new families into our School Community. This group enables parents to be active members of our school community and to be informed about our teaching and learning approaches. Many students begin at the school with little or no English, necessitating the need to modify teaching approaches in order to give them the best opportunity to learn and prosper.

Southern Cross Primary School is a friendly, caring school community that aims to facilitate a high standard of academic learning, nurture individuality, challenge, and understand all of our students. We provide intellectual tools that enable students to be inspired, creative, curious, optimistic and capable individuals who aspire to become lifelong learners and be responsible, resilient members of society.

School values, philosophy and vision

Southern Cross Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, integrity and kindness at every opportunity.

Our school's vision is to empower students to reach their personal best, and fully equip them to contribute positively to society as happy, healthy young adults.

Our Statement of Values is available online at: <https://www.sthcrossps.vic.edu.au/page/140/Policies-and-Documents>.
